VETERINARY ✱ District Livestock Farm, South Kanara
Provision of a wireless receiver set - Sanctioned.

Development (P&D-II) Dept.

Memorandum No.55245-P&D-II/50- 1 Dated. 26.6.50.

Sub: Livestock - Livestock Farm at Koila, South Kanara Dist. - Amenities -

---

The following suggestions have been made in connection with the establishment of a Livestock Farm at Koila in the South Kanara Dist.:-

(1) Arrangements may be made to get the Sub-Asst. Surgeon at Uppinangadi to visit Koila once a week to give medical aid to the labourers at the Farm;

(2) A radio receiver may be supplied to the Farm and maintained by the Provincial Broadcasting Dept. as is done in the Hosur and Karukupoi farms; and

(3) Local cows may be purchased for breeding purposes.

The D.A.H. is requested to examine the suggestions in consultation with the concerned Heads of Depts and submit a report to the Govt.

2. In transferring 25 Sindhi cows from the Hosur Farm, the D.A.H. is requested to see that only good cows are selected and sent to Koila.

To

The D.A.H.

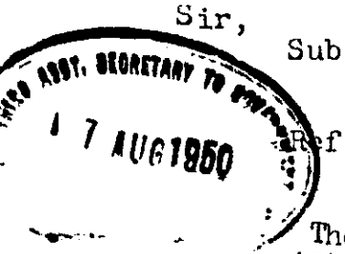
To
The Deputy Secretary to Government,
Development Department, Madras.

Sir,



Sub: Broadcasting - Provincial - Radio Installation - District Livestock Farm, Koila, South Kanara Provision of a Radio receiver - Proposals.

Ref: Government Development Department Memorandum No.55245 - P & D-II/50-1, dated 26-6-50.

The Radio Engineer, Madras was consulted with reference to item (2) of paragraph 1 of the Government Memorandum cited. A copy of his letter No.C.3-4628-e/50 dated 4-8-1950 - L.L.XIX.39 is enclosed for the information of Government. I agree that a radio set may be provided for the entertainment of the labourers attached to the District Livestock Farm, South Kanara.

2. I request that Government may be pleased to sanction a non-recurring expenditure of Rs.650/- and a recurring expenditure of Rs.250/- per annum on account of the installation and maintenance of a battery-operated radio set at the District Livestock Farm, Koila South Kanara District. The licence for the set will be obtained by the Provincial Broadcasting Ddpartment and renewed by the Radio Engineer, Madras annually for which the licence fees of Rs.10/- will be recovered along with the annual maintenance charges. The recurring charges include the licence fees of Rs.10/- per annum.

3. The expenditure is debitable to "41.Veterinary f.Breeding Operations - H.Postwar Reconstruction - (iii) District Farms - Voted - Other charges" and it will be met either by reappropriation or applying for additional allotment during the current year.

Yours faithfully,

V.R.Rajagopalan
14-8-50

Director of Animal Husbandry, Madras.

PT.14-8.

Copy of letter No.C3-4628 C/50, dated 4-8-50 LL.XIX.39 from the Radio Engineer, 53, Peter's Road, Madras to the Joint Director of Animal Husbandry, Madras.

Sub: Broadcasting - Provincial - Radio installation - District Livestock Farm, Kila - South Kanara District - Provision of a radio receiver - regarding.

Ref: Your letter C.No.3587-V/50, dated 15th July 1950.

You may please obtain the Government's sanction for incurring a non-recurring expenditure of Rs.650/- and a recurring expenditure of Rs.250/- per annum which also includes the licence fees of Rs.10/- towards the installation and maintenance of a battery operated radio set at the Cattle Farm, Koila in South Kanara District. The non-recurring charges of Rs.650/- include in addition to the cost of a Battery set, the cost of 2 batteries, installation materials, accessories an aluminium loud speaker horn and installation charges. The recurring charges of Rs.240/- cover the cost of maintenance, serviciving, replacements and repairs of the set and equipment for a period of twelve months. The licence for the set will be obtained by this Ddpartment and renewed by this office annually for which the licence fees of Rs.10/- will be recovered along with the annual maintenance charges of the set.

P.T.O.

Necessary action will be taken to instal a battery operated radio set at the district Livestock Farm, Koila after the Government's sanction for the same is obtained by you.

ADDITIONAL ASSISTANT SECRETARY TO G. 12 SEP 1950 DEVELOPMENT DEPARTMENT

Sir,

Sub: Livestock-Livestock Farm at Koila, South Kanara-Amenities.

Ref: Government Memorandum No.55245-P&D/I/50-1, dated 26-6-1950. p.1 ante

The Superintendent, District Livestock Farm, South Kanara has been asked to submit urgently his reply to this office memorandum Roc.No.1619-V/50 dated 22-5-50 regarding the opening of a first aid medical centre at the District Livestock Farm, Koila in consultation with the District Medical Officer, Mangalore. On receipt of his reply, proposals will be submitted to Government through the Surgeon-General, with the Government of Madras.

2. With reference to item (2) of para 1 of the Government memorandum cited, proposals for sanction of expenditure for installing a radio receiver at the District Livestock Farm, South Kanara have been submitted to Government separately, please see this office letter Roc.No.3587-V/50 dated 13-8-50.

3. Regarding purchase of ~~katak~~ local cows for breeding purposes, it may be mentioned that proposal for the same was made in the original scheme itself but arrangements will now be made on receipt of certain particulars called for from the Superintendent, District Livestock Farm, South Kanara and subject to the provision of funds in the current year itself. The original scheme submitted to Government contained provision for the purchase of local cows for breeding purposes, but the idea was abandoned with a view to reduce the cost of the revised scheme

4. With reference to the instructions in para 2 of the Government Memorandum cited, I submit that it is not safe to transfer straightaway some of the best cows of the Sindhi herd to the District Livestock Farm, South Kanara before gaining some experience of the environmental reactions of a few good Hosur bred Sindhi cows in this heavy rainfall area. The best yielders and pedigreed stock may, therefore, remain at Hosur for the present until results are definitely known; moreover deterioration of the main stock should be avoided. The Superintendent has been instructed to select good animals for transfer.

Yours faithfully,

V.R.Rajagopalan 11/9/50

Dev. 37610 P&D II 3/4/51.

Sir,

Sub: VETERINARY - District Livestock Farm South Kanara - Purchase of wireless receiver
Ref: Government Memorandum No.55245-P&D-II/50-6 dated 14-2-51.

--

The Superintendent, District Livestock Farm, South Kanara reports that the dynamo is installed in the farm for the purpose of pumping out water and for lighting purposes in the early morning hours and very seldom in the evenings. It is not proposed to work the dynamo and engine for all the twenty four hours.

2. The radio will be needed mostly between about 5 & o'clock to 8 O'clock in the evenings when the engine will have to be worked solely for this purpose which is not quite economical. The Superintendent therefore, suggests that only a battery model radio will be suitable for the farm at present.

M
D.C.

3. I have consulted the Radio Engineer with reference to the proposal for the purchase of a mains-operated wireless receiver and a further report will be sent to Government on hearing from him. He is being reminded in the matter.

Note Letter!

-55245 P/D II
21.6.50.

D.S., Dev.

Some persons interested in the Livestock Farm at Koila, South Kanara, have suggested the following matters as essential requirements of the Farm:-

(1) Requesting the Superintendent of the Posts and Telegraphs Department, Mangalore, to open a branch post office at Koila Cattle Farm.

(2) Arrangements to be made to get the Sub Assistant Surgeon at Uppinangadi to visit this place once a week to give medical aid for the labourers at the Farm. It seems similar arrangements have been made at other farms. The required medicines will have to be purchased by the Department and the Sub Assistant Surgeon will have to be given a conveyance allowance of Rs.10/- as it is being done at Hosur.

(3) Radio sets to be supplied and maintained by the Provincial Broadcasting Department as it has been done at Hosur and Kurikuppi.

(4) Permission to be given for the use of the Agricultural Department lorry as and when it is required for the transport of cattle, seed, implements and other deadstock articles at the initial stage.

The above suggestions may be examined and put up.

25 Sindhi cows have been sanctioned to be transferred to this Farm from the Hosur Cattle Farm. Good cows may be selected and sent. Sanction may also be given for purchase of local cows for breeding purpose.

20/6/50
H.M. (Agri.)

Development Dept.

A.S.

Please see the minutes of H.M.(Agri.) above.

p.t.o.

on p.1 above

Suggestion (1): Opening of a branch Post Office at Koila.

The Supdt. of the Farm has already addressed the postal authorities in this respect (vide para 6 on p.17 c.f. of L.F. below) No separate action therefore seems called for on this point. For orders.

on p.1 above.

Suggestion (4): Use of Agri. Dept. lorry.

The D.A.H. has already been asked to use for the livestock farm, the lorry sanctioned for the rinderpest scheme in the S.Kanara Dist. It does not therefore seem necessary to arrange for the use of the Agl. Dept. lorry also. For orders.

The D.A.H. may be consulted regarding the other suggestions. A draft memo is submitted for approval.

Issued as Memo-No: 5 5245 P & D II/50-1 dated 26-6-50. p 12 c.f.

From the DAH, No. 3587-V/50 dated 13-8-50 — p 3 CF

From the DAH, No 1619-V-/50 dated 10.9.50. — p 7 CF

To A.S.

Please see the reports from the D.A.H. on pp.3 & 7 c.f. in reply to the Memo. on p.1 c.f.

The file relates to the question of providing the following amenities in the live-stock farm at Koila in the South Kanara District:-

1) Opening of a Branch Post Office;
2) Provision of medical facilities;
3) Supply and maintenance of a Radio set; and
4) The selection of live-stock.

Item (1) above:- The Superintendent of the Farm has taken up the matter with the postal authorities and so no separate action is considered necessary on this point.

Item (2) on p.2 above: The D.A.H. has promised to submit proposals for the opening of a First-aid medical centre at the District Livestock Farm at Koila, through the Surgeon-General. The proposals may be examined, if and when they are received. No further action seems necessary on this point in this file.

Item (3) on p.2 above: The D.A.H. has requested Government to sanction a non-recurring expenditure of Rs.650 and a recurring expenditure of Rs. 250 per annum for the installation and maintenance of a battery-operated Radio set in the live-stock farm. The Radio Engineer, Madras has promised to take necessary action to instal a battery-operated radio set after Government sanction is received. In this connection it is submitted that the D.A.H. has proposed to instal a dynamo in the live-stock farm for lighting purposes. If this proposal materialises, the radio set may be worked with the help of the electricity produced from the dynamo and ~~that~~ there will be no necessity for installing a battery operated set. In this view the proposal to purchase a radio for the livestock farm may lie over till a decision is taken on the question of installing a dynamo.

Item (4) on p.2 above: As regards purchase of local cows for breeding purposes, referrdd by H.M.(Agri.) at 'C) on p.1 ante, the D.A.H. has reported that necessary arrangements will be made. So far 4 Sindhi cows (2 in milk and 2 dry) and a Sindhi bull have been transferred. The Director considers it inadvisable to transfer further Sindhi stock until some experience is gained as to how the animals thrive in this new area subject to heavy rainfal He has however instructed the Superintendent of the farm to transfer only good animals. No further action therefore seems called for on this point also.

SECRETARY TO GOVERNMENT 24 SEP 1950 DEVELOPMENT DEPARTMENT

4 Devt. Deptt.

To A.S.

Notes and orders on pp 2-3 above may be perused. The file is kept pending with reference to 'A' on p. 3 above. The question of installing a dynamo in the District Livestock Farm at Koila has not yet been decided. This may lie over till 20.1.51. or till the above question is decided whichever is earlier. A

20.12.50 } 21.12.50. S 21/12/50

To A.S.

'A' above

As orders have not yet been passed regarding the ~~installation~~ purchase of a dynamo in the District Livestock Farm South Kanara, this may continue to lie over till 20.2.51. or till orders are passed whichever is earlier. M.

26.1.51 } 27.1.51 S 27/1/51

To A.S. (Previous note need not be read) 5

This file relates to the provision of amenities and the procurement of breeding stock for the District Livestock Farm, South Kanara. The only point on which action is now due is the purchase of a wireless receiver for the farm. The D.A.H. proposed that a battery-operated set at a cost of Rs. 650 may be bought. As proposals for the electrification of the farm were pending at the time, the question of purchase of a battery-operated set was kept pending a decision on that point. Orders have since issued sanctioning the installation of a dynamo. The Director may therefore be asked now to submit revised proposals for the purchase of a mains-operated wireless receiver.

Draft Memo. submitted for approval.

13.2.51
13.2.51.

(Issued as Memo. No: 55245-P&DII/50-6 dated 14-2-51.)

(From his D.A.H. No. 3587-V/50 dt 7.5.51)

To A.S.

XX

The note above and the letter from the D.A.H. on p.13 c.f. may be perused. The Director reports that a mains-operated wireless receiver with accessories would cost Rs. 660/- to instal, with a recurring expenditure of Rs. 240 per annum on upkeep. He however considers that a battery-operated set will be more suitable, since the radio will be required only in the evening hours when neither the pump nor the lights will be wanted and it may be uneconomical to run the dynamo exclusively for this purpose.

'A'

The District Livestock Farm is situated in a remote and uninviting locality and to keep the staff contented, it seems desirable to provide the amenity of a radio.

Si

Since a battery set and a mains-set cost practically the same, in the circumstances referred to at 'A' above, the purchase and installation of a battery-operated set may be sanctioned. m.p.6

Subject to orders, a draft order is submitted for approval.

Finance may see for acceptance.
